CASES DIAGNOSED AND OPERATIONS PERFORMED

6. CASES DIAGNOSED.

DIAGNOSES	PATIENTS			
	U.S. Military	U.N. Military	Civilians	Prisoners
Abscess, parietal	303			
Abscess, periapical	1254			
Abrasion	11			
Bridge, defective	34			
Bridge, loose	163			
Calculus	2102			
Caries	16470			
Cellulitis	4			
Mild				
Severe	6			
Crown, defective	48			
Crown, loose				
Cyst				
Denture, defective	561			
Denture, Irritating	511			
Devitalized, pulp				
Erosion	100			
Facing, defective	211			
Filling, defective	1263			
Fracture of mandible				
Fracture of maxillae				
Fracture of tooth	10			
Gingivitis	529			
Hemorrhage, primary				
Hemorrhage, secondary	27			
Hypersensitive, dentine				
Inlay, loose	72			
Malocclusion	32			
Mandible, edentulous	24			
Maxillae, edentulous	38			
Neuralgia, facial				
Osteitis	16			
Osteomyelitis				
Pericoronitis	42			
Periodontoclasia	47			
Pulp, devitalization of				
Pulpitis	659			
Root residual				
Sequestrum				
Sinusitis				
Stomatitis, ulcerative				
Stomatitis, Vincent's	530			
Mild				
Severe	67			
Tooth, erupting	14			
Tooth, impacted				
Tooth, malposed				
Tooth, missing	2093			
Tooth, pulpless				
Tooth, supernumerary				

7. OPERATIONS PERFORMED.

NATURE OF OPERATIONS	PATIENTS			
	U.S. Military	U.N. Military	Civilians	Prisoners
RESTORATIONS.				
Amalgam	10886			
Inlay	8			
Inlay recemented	62			
Oxyphosphate & Silicate	370			
Oxyphos. and Amalgam	3019			
Root canal				
Silicate	2802			
PROSTHESIS				
Bridges (all types)	22			
Bridge, recemented	177			
Bridge, reconstructed	4			
Bridge, repaired	9			
Crown (all types)	14			
Crown, recemented	51			
Crown, repaired				
Denture, adjusted	489			
Denture, full	55			
Denture, partial	275			
Denture, pr. with gold	99			
Denture, rebased	17			
Denture, reconstructed	32			
Denture, repaired	495			
Facing, recemented	17			
Facing, replaced	29			
Facial, prosthesis constructed				
Splints constructed				
OTHER OPERATIONS				
Abcess, incision of	23			
Alveolectomy	3			
Anesthesia, general				
Anesthesia, local	1494			
Apicoectomy				
Calculus, removal of	2069			
Examinations	9772			
Impressions (all types)	273			
Irrigations				
Fracture, reduction of				
Intramaxillary wiring				
Splints				
Splints and headcap				
Gums, excision of	7			
Occlusion, adjustment of	30			
Prophylaxis	1396			
Pulp capped	5			
Pulp, extirpation of	8			
Splints, removal of				
Sequestrum, removal of	1			
Wounds of mouth sutured				
X-ray, full mouth				

6. CASES DIAGNOSED—continued.

DIAGNOSES	PATIENTS			
	U.S. Military	U.N. Military	Civilians	Prisoners
Tooth, unerupted.....				
Wounds of the mouth				
Contused				
Lacerated				
Penetrating				
Reappointments	2092			

7. OPERATIONS PERFORMED—continued.

NATURE OF OPERATIONS	PATIENTS			
	U.S. Military	U.N. Military	Civilians	Prisoners
X-ray, single				
X-ray, extra-oral				
X-ray, exposures, total				
Tooth, extraction of	1576			
TREATMENTS.				
Cellulitis	10			
Hemorrhage, primary				
Hemorrhage, secondary				
Hypersensitive, dentine	23			
Gingivitis	1271			
Neuralgia, facial	21			
Osteitis (dry alveolus)				
Osteomyelitis				
Other gum treatments	76
